

**Affidavit,
First Notice of Existence,
Bilateral Social Compact Agreement
by and between the People of
North-Carolina, in The United States of America**

Preamble

The People, in their natural identity without restriction by legislation or person, agree that the great and essential principles of rightful liberty and freedom are recognized and established within this Bilateral Social Compact Agreement, the essential rights and rightful liberty for the People within the metes and bounds and seaward boundaries of North-Carolina, The United States of America; The forty-eight respective States of The Union are hereby accepted and acknowledged with this Bilateral Social Compact Agreement in and for a Republic form of Government being separate equal Sovereign National States in perpetual union;

On this eighth day of November 2022, We The People in our unalienable image, men and women assembled in North-Carolina hereby deny any trespass upon our unalienable image and or rights thereof; The People have hereby declared our independence and stand on our rights to protect life, rightful liberty, private property, and the pursuit of happiness; Our God given natural rights are endowed upon us, and no inhabitant, man or woman, and or People may remove or trespass upon these rights; Our natural rights are superior to any man-made orders, statutes, or codes; The People agree The Law of The Land is The Articles of Confederation of 1781-present, The Declaration of Independence of The United States of America 1776, the North-Carolina Constitution 1776, and this Bilateral Social Compact recorded at the Convention of State with American First Republic on August 29th, 2023;

Article 1

The People agree that all People of North-Carolina, a State of The Union of the united States of America, when they form a Bilateral Social Compact Agreement are on an equal footing; and have certain inherent and indefeasible immunities from other Independent States of The Union, among which are those of enjoying and defending life and rightful liberty; of acquiring, possessing, and protecting property and reputation; and of pursuing their own happiness; and

Article 2

The People agree that all political power is inherent within the People of North-Carolina, and all republics are founded on the authority of the People, and established for the benefit and general welfare of the People that formed said republic; and, therefore, the People have, at all times, an unalienable and indefeasible right to alter or abolish Government, in such manner as may be deemed expedient; and

Article 3

The People agree that all People have a natural and unalienable right to worship according to the dictates of their own conscience; and that no preference shall ever be given by law to any religious establishment, or mode of worship within North-Carolina, a State of The Union of The United States of America; Therefore, the Peoples of The Union of The United States of America are free to choose to practice religion by their own way, in their own truth, and in their own lives; and

Article 4

The People agree that all elections shall be free and equal within each body politic formed as derived from this Bilateral Social Compact Agreement, and that no property qualification is required for eligibility to

office or for the right of suffrage within North-Carolina, a State of The Union of The United States of America; and

Article 5

The People agree that as signatories of this Bilateral Social Compact Agreement all may freely speak, may write, and may publish sentiments on all subjects, each being responsible for their abuse of that liberty; and no law shall ever be passed to curtail, abridge, or restrain the liberty of speech or of the press; and

Article 6

The People agree and shall always be with the right, in a peaceable manner, to assemble together to consult for the general welfare, and create limits and authority for legislation in their assemblies to meet the requirements of consultation and collaboration for the general welfare of the People that are signatories of this Bilateral Social Compact Agreement; and

Article 7

The People agree that the right of trial by jury of their peers is guaranteed in the same jurisdiction and venue, and shall forever remain inviolate regardless of separate political bodies, the definition of this right shall never be redefined outside the authority of this Bilateral Social Compact Agreement; and

Article 8

The People agree whoever brings evidence of a wrong can ask to initiate a lawful Grand Jury to evaluate the evidence; The presentment has to be in the form of an Affidavit; and

Article 9

The People agree that all the inhabitants and People shall be secure in their persons, dwellings, papers, possessions, and property from unreasonable seizures and searches; and that a wet ink signed warrant by a lawful judge is required upon demand to search any place, or to seize anything and shall not be issued without inscribing the place to be searched, and the man or woman, property, and or thing to be seized; and no warrant shall ever be served without due process, physical evidence corroborating a sworn affidavit of harm caused, and supported by oath or affirmation filed in the proper venue by the accuser; and

Article 10

The People agree that no inhabitant, man or woman, or any of The People regardless of status shall be taken, imprisoned, or deprived of freehold, rightful liberties, outlawed, exiled, or in any manner destroyed or deprived of life, liberty, or property, but by the law written within North-Carolina's statutes as derived from this Bilateral Social Compact Agreement; and

Article 11

The People agree that Government shall have remedy by due process of law; and right and justice shall be administered without sale, denial, or delay; and

Article 12

The People agree that in all criminal prosecutions, the accused have a right to be heard with or without friend in counsel, no forced or coerced associations will be allowed, nor will foreign association be required; to demand the nature and cause of the accusation; to confront the witnesses that have written an Affidavit of testimony of harm; to have compulsory due process of law for obtaining witnesses in favor of the accused; and in all prosecutions by Grand Jury indictment or presentment formed by a Judicial Branch within this Bilateral Social Compact Agreement authority, a speedy and public trial, by an impartial jury of peers in accordance to Law of Nations as written by Emerich de Vattel 1758, and this Bilateral Social

Compact, where the crime was committed; and shall not be compelled to give evidence against themselves; and

Article 13

The People agree that all accused must be bail-able, where the proof is evident or the presumption is strong, the privilege of habeas corpus will not be suspended, unless when, in case of rebellion or invasion preventing lawful due process, the public safety may require the suspension of habeas corpus, decided by the authority as derived from this Bilateral Social Compact Agreement; and

Article 14

The People agree that excessive bail shall in no case be required; nor shall excessive fines be imposed; nor shall cruel or unusual punishments be inflicted; nor the redemption of the Bond shall be required unless actual damage or injury has been proven in fact; and

Article 15

The People agree that no inhabitant, man or woman, or any of the People shall, for the same offense, be twice put in jeopardy of dissolution or accusation; and

Article 16

The People agree that in all indictments, the truth may be given in evidence; and that no exculpatory evidence or witness will be denied in court, and if it appears to the Grand Jury that the evidence is true, and published with good motives and for justifiable ends, the truth will be a justification; and the Grand Jury will be the judges of the law and facts without coercion or instruction; and

Article 17

The People agree that no man or woman shall be put to answer any criminal charge, but by presentment, indictment, or impeachment hereby established by the constituted authority as derived from this Bilateral Social Compact Agreement of North-Carolina, a State of The Union, within the original Confederacy; and

Article 18

The People agree that private property shall not be taken or applied to public use, unless just compensation be offered and accepted; and

Article 19

The People agree that no conviction shall insinuate corruption of blood, or forfeiture of estate except in accordance with this Bilateral Social Compact Agreement of North-Carolina; and

Article 20

The People agree that trafficking of humans, people and persons is forbidden; Local and state protocol is to be exercised swiftly, and to the fullest extent, in such situations; under the Laws of the Land, meaning this Bilateral Social Compact Agreement; and

Article 21

The People agree that retrospective laws, punishing acts committed before the existence of such laws, and by them only declared penal, or criminal, are oppressive, unjust, and incompatible with rightful liberty; wherefore, no ex post facto law shall ever be made by any body politic within North-Carolina, a State of The Union of The United States of America; with the only exception being harm inflicted upon a man, woman, and or their posterity; and

Article 22

The People agree that no law impairing the obligation of contracts shall ever be passed nor shall any law or contract be made in violation of this Bilateral Social Compact Agreement; and

Article 23

The People agree that signatories within this Bilateral Social Compact Agreement shall be with the unalienable right to keep and to bear arms, maintaining delegatory authority to inhabitants, for common defense against enemies foreign and domestic; and

Article 24

The People agree that monopolies are contrary to the genius of a republic form of Government and are forbidden. All public and or private officers who make their allegiance to an assembly are forbidden to make private contracts which would deny the People in this Bilateral Social Compact equal due process of law. The penalty is immediate suspension from acts of the aforementioned office, decided by majority vote of the People in this social compact, pending judicial due process of law; and

Article 25

The People agree that all offices held within the lawful constituted authority derived from this Bilateral Social Compact Agreement shall be required to impose term limits on those elected to hold office which can be changed by authority of this Bilateral Social Compact Agreement; and

Article 26

The People agree that no hereditary emoluments, titles of nobility, privileges, or honors of office, shall ever be granted or conferred in North-Carolina; and

Article 27

The People agree that frequent recurrence to fundamental principles is absolutely necessary to preserve the blessings of rightful liberty preserving the right to assemble and amend this Bilateral Social Compact Agreement shall forever remain exercised and inviolate; and

Article 28

The People agree that all signatories to this Bilateral Social Compact Agreement shall enjoy the full benefits of the Articles written within the Universal Declaration of Human Rights and reserve the right to examine and interpret each aforementioned Article within the lawfully constituted Judicial Branch as derived from the authority of this Bilateral Social Compact Agreement and shall be bound to those determinations; and

Article 29

The People agree to guard against transgressions upon the rights of the People and hereby declare that everything in this Bilateral Social Compact Agreement is accepted out of the general powers of the People, and shall forever remain inviolate; and that all laws contrary thereto, or to the aforementioned provisions thereof, shall be void; and

Article 30

The People agree we will not recognize the North-Carolina BAR Association or any affiliates thereof unless they operate under this Bilateral Social Compact Agreement and renounce their BAR license; The BAR Association is a foreign enemy agent on the land that has infiltrated our Government and violates The Articles of Confederation 1781-Present by implementing private statutes and codes; and

Article 31

The People agree to outlaw the Central Intelligence Agency in North-Carolina; and

Article 32

The People agree that the following is outlawed as it pertains to a Social Security Number:

1. Any private membership association or any other association to require or ask for a Social Security Number;
2. To associate a Social Security Number to any type of citizen status;
3. To use a Social Security Number in any form of a judicial proceeding or judiciary proceeding;
4. To be used as a point or post of jurisdiction; and

Article 33

The People agree that a forced monopoly by and through a digital currency that does not allow any other form of tender of payment is forbidden whether a CHIP is used for a digital currency trade, or the internet is used for a digital currency trade; Any form of chip implanted into any part of the body, or any form of property, is hereby forbidden in ALL of its forms, unless fully informed and consent is given, without force or coercion, by the individual freely; and

Article 34

The People agree at any time, the signatories of this Bilateral Social Compact deem necessary, a forensic audit of the Treasury by a private forensic accounting firm will be subject for the review of the financial records; and the Treasury of North-Carolina Shall not be consolidated by any other form of government; and

Article 35

The People understand and commit to the following NON-NEGOTIABLE Principles:

1. Civil taxes must be approved by the authority of this Bilateral Social Compact Agreement and shall have full disclosure and itemization of any and all taxes available to the People at all times;
2. The People agree all County Courts shall practice Law in accordance with the Law of Nations as written by Emerich de Vattel 1758, Declaration of Independence of The United States of America 1776, The Articles of Confederation of Perpetual Union 1781, The North-Carolina Constitution 1776, and this Bilateral Social Compact;
3. All Judges are to be bonded and bound by oath or affirmation and authority of this Bilateral Social Compact Agreement;
4. The People agree the right to bear any weapon in defense shall remain intact within North-Carolina and shall guarantee a lawful Constitutional State;
5. Conduct that exceeds established limits by authority of this Bilateral Social Compact Agreement and or Due Process committed by any government is hereby forbidden including

but not limited to the Department of Health, Hospitals, Police Force/Auxiliary, Military, Mayor, the North-Carolina General Statutes Governor and any variations thereof; and

Article 36

The People establish the following NON-NEGOTIABLE boundary which is currently set forth within North-Carolina:

1. Absolutely no 5G or any future generations - Smart Electric Meters, Cameras, or streetlights with 5G/Microwave technology;
2. Absolutely no fluoride, harmful chemicals (Pipe Cleaner), microbial contamination in city and or rural water;
3. Absolutely no geo-engineering, bio-chemical/chemical airplane aerosol trails or weather modification technology is allowed over the geographical boundaries of the metes and bounds of North-Carolina and the heavens above North-Carolina; and

Article 37

The People agree that no mandates of forced or restricted messaging may be enforced upon private or public businesses or their occupants; Unconstitutional propaganda tactics cannot be enforced upon business owners, forcing them to put signs on their doors or venues; All attempts made shall attract lawful repercussions; and

Article 38

The People agree there shall be no unlawful dismissal of jobs, coercion, bribery, or tactics used to force anyone from their position for choosing to refuse any medical treatment, procedure, or medication of any kind, including vaccination; An individual's medical history, decisions, and records are protected and private; Therefore, a medical decision shall NOT be held against any individual thus impacting their rights to keep their job and or position, make fair wage, right to travel, rights to healthcare and medical treatment, nor impact their rights as mothers and fathers, caregivers, business owners, shoppers, or patrons; Private medical records are to be used for the care and wellbeing of the individual which shall be protected by authority of this Bilateral Social Compact Agreement; Any breach of these protected rights shall be grounds to take further lawful action against those in violation; and

Article 39

The People agree enforcement of any kind of medical passports, including vaccine passports, is hereby forbidden; and

Article 40

The People agree that bribery of an individual and or group to accept vaccinations or medical treatment, procedure, or medication of any kind, especially the Covid-19 Vaccination is hereby forbidden and unlawful; Any and all such behavior is prohibited; Anyone coerced, baited, received or denied payment, or special privileges awarded by this propaganda agenda is unjust and warrants lawful repercussion upheld by said individual(s) or North-Carolina, a State of The Union of The United States of America; and

Article 41

The People agree mandatory medical treatments, procedures, or medications of any kind, including vaccines of any kind, injections, implants, or nano technology, are hereby forbidden, for people of all ages from conception to death; Contents of vaccines must be fully and entirely disclosed prior to injection; A

disclosure statement must be signed by the individual receiving any vaccination which lists ingredients and side effects; Aforementioned shall be disclosed prior to injection; The disclosure must state the inhabitant, individual, and or any of the People's names that administered the shot and the Doctor that prescribed it; Anyone who received the Covid-19 vaccine, and did not receive disclosure of ingredients, has grounds to form a lawsuit against such individual(s) who administered it, and the facility in which the vaccine was received; and

Article 42

The People agree Hospitals must provide tangible proof of claimed cause of death in all registered deaths, otherwise they must register the cause of death as unknown; Facilities shall receive no award and or special funding for individuals who pass away of any specific cause of death within the facility, including Covid-19/ SARS; Protocol for all conditions should be handled by means of protocols already put in place; No agency may monopolize on the sickness of their patients or implement an anti-human or harmful agenda within the facility; Families may not be physically constrained from visiting loved ones while hospitalized and proper protective equipment must be provided by medical staff for visitors; If a death occurs from any condition due to improper protocol delivery including improper issuing of any medication, or if harm is caused by misdiagnosing in order to generate a profit, or if any other section of this article is violated, each facility and individual employee involved will be held accountable for any misconduct; Again, whistleblowers may receive amnesty for upholding this Bilateral Social Compact Agreement and civil duty; and

Article 43

The People agree the hospital birth protocol to record and submit Birth Certificates from this jurisdiction to the Secretary of a U.S. corporate State for use in the creation of securities is to become null and void as a practice in North-Carolina, a State of The Union of the United States of America; Such protocol is dismissed as of this date, November eighth, 2022 and will be replaced with a Certificate of Live Birth, recorded in history within the county and region of birth; There is to be no profit, investment or monetary gain from the creation of this live birth certificate; and

Article 44

The People agree that women have full agency over where, how, and with whom they choose to labor and deliver their babies; Women have full agency to choose how to care for themselves and their babies during pregnancy and during the postpartum period; Families have full agency to choose how to care for themselves, children and elders; and

Article 45

The People agree there shall be equal opportunity for Holistic and natural approaches in medical treatment options; and

Article 46

The People agree medicinal herbs, plants and fungus are considered natural gifts from Creator/God therefore, there shall not be any form of regulation or control over these medicinal plants excluding cocaine and refined opiates; We the People of North-Carolina do not recognize "the United States Federal Government" or any Private Service Corporation claiming Government authority in North-Carolina as a regulatory commission to determine what is authorized and not authorized in this settlement on the land known as North-Carolina; and

Article 47

The People agree organic foods remain readily available for public purchase and consumption; and

Article 48

North-Carolina, under this Bilateral Social Compact Agreement, recognizes that all food does not need to be pasteurized; The lawful sale of raw food and beverages is permitted in this state; The health department has no jurisdictional authority over the farmers in the regulation of raw food; Origination packaging dates and locations are mandatory on all of these foods and beverages; and

Article 49

The People agree, clean and nutritious foods will be implemented in public schools' breakfast, lunch and snack menus. Schools must provide staff and students with nutritious food options using the real ingredient foods, including fresh vegetables and fruits, whole grains, real meat, and excluding foods with GMO's (genetically modified organisms), harmful processed food, and poisonous food additives that cause harmful psychological, physical, neurological and addictive repercussions and damages; and

Article 50
